I also served in HHC 2/12 before tranferring to the 25th Infantry. Thank you for creating this site. I noticed that our "A Company" site at <a href="http://members.nbc.com/alpha6rto">http://members.nbc.com/alpha6rto</a> has your site listed on it's hot list. I sure should love to see you put our site on your list of related sites. I was with my Grandma on the day that the jeep pulled up in front of the house, Grandma started to scream, I was four years old. Does anybody out there know what happened to my uncle that day, what was his Silver-Star and all his other medals for?

<b>Comments:</b>	Nice job on the website, hope to have one for my unit in the future, B 3/13 Arty. I also am trying to find anyone who might have known PFC John Chaves, Alpha Co, 12th Inf; do not have the battalion #. He became a casualty in April of 1970 in Long Binh. I am helping the family to find someone that knew him in Vietnam.

<b>Comments:</b>	Anybody would like an internet business? My site may lead you or your friends to a great opportunity. We are looking for represenatives. My time was B, 2/12 7/68 thru 1/69. Stuart and Pershing are always on my mind. Anybody know Norris Dwyer a schoolteacher from Maine. Squad leader out of NCOCS at Benning. Neat mustache. Great leader. Gut shot and I would like to thank him for getting me though that stuff. maybe a hug. Another is Gary McKinney. I bailed him out of Benning provost. Saw him our last day in country. he was a E-5 Thinking he might reup for the bonus. Gold brick, but a great guy to have on our side. He needs a hug, too. Check out my web-site. Hope you all are having fun. Lets go camping in a nice full rice paddy.

My heart is still with my men and others in the unit who faced many a horror in battle. If my Recon platoon Sgt. is alive (he took a round to the neck in Nov 5-7th battle) I hope he finds me in cyber world and contacts me. His name is Sgt. Medina.

To all other, may God grant you eternal peace.

Platoon leader was Lt. Compton. The only way I can describe myself is I stood 5"7" and weighed 225 lbs. I wore glasses with lenses the thickness of coke bottle bottoms. I have heard from several men from other companies and two other medics but no C Co. Hope someone reads this and responds. I can honestly state that no one has ever served with better men then those of the 2/12

Do you believe that after 31 years I met my buddies in a reunion in Las Vegas, Nevada. Twenty eight members of Delta Company were present. Kenneth (Doc) Blakely and Johnny (Sgt. Oly) Olearain and their wives made the reunion possible. My special thanks to Eddie L. Gray for saving my life when I was wounded. Dewight D. Oilger and Kenneth Carroll faces remain the same. Sal Gomez has not changed at all, he thinks his back in fire support Pershing and Bill Reid thinks the same. Jerry Weigold one of the twin is still very polite. All of us were very emotional during speeches. We had an outstanding time. All of us agreed to have another reunion in the near future.
